

The ultimate mobility tool

Batec handbikes are a comprehensive solution to your mobility problems:

- ✓ Go from reduced to **augmented mobility**; from needing help to being **independent** and **proactive**.
- ✓ Get a **2 in 1**, without giving up your manual wheelchair.
- ✓ **Overcome obstacles.**
- ✓ Attach our handbikes **in just seconds** and **with no need for transfers.**
- ✓ Also available for **quadriplegics** and **hemiplegics.**

Request a quote or a demonstration without any commitment!

You CAN get used to being in a **wheelchair**

But not to giving up on

BATEC MINI
the little big Batec

BATEC MINI, the little big Batec

The **BATEC MINI** is our most compact handbike. Designed to be small without losing a single bit of the quality and reliability of the **Batec** handbikes, it incorporates state-of-the-art components in its standard equipment that will make it easier for you to enjoy your mobility.

All-in-one LCD screen with gear selector.

16" wheel, ultra-grip tyre and aluminium double-wall rim.

250 RPM 900 W high-torque brushless motor with reverse gear.

Matte black aluminium handlebar with folding system for convenience.

G&B handlebar option without levers for quadriplegics.

Handlebar option with right or left Monolever brakes for hemiplegics.

Avid BB5 mechanical brakes, aluminium levers and parking brake.

700-lumen front light with position lights / high beam options.

Dual LED tail lights on the stand frame.

Removable right dropout for easy inner tube or tyre change.

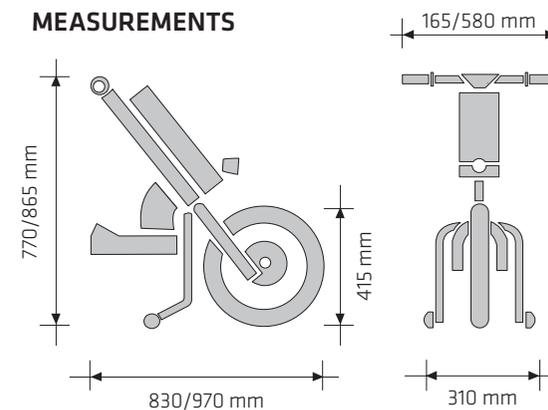

Horn.

USB port.
